Education

Education is the key to empowering children, which helps bring about social equality. Child education programmed works on improving lives and providing opportunities for girls and boy through increased participation in Remedial / e-learning classes' education systems. NSS works closely with government-run schools and the different levels within the Government. NSS works to help child complete primary education and access formal schools through accelerated learning methodology and provide academic support to enhance the quality of learning. We also help nurture leadership skills amongst child and offer alternative education opportunities for women and girls who have never been enrolled or have dropped out early from school.

Health

NSS India works in close collaboration with State and Central Government and other partner organizations to secure accessible and quality maternal and child health. NSS among marginalized communities. We work towards identifying the root causes of health .NSS challenges, provide innovative solutions, and help implement secure and quality health. NSS services in India. NSS India believes that a healthy mother and a healthy baby is the route to a productive, developed nation. Hence, NSS has specially focused upon providing comprehensive solutions to address public health problems. We promote essential new born and mmunization, reduce malnutrition, prevent infant and maternal deaths and protect those affected by or susceptible to HIV/ AIDS and TB. NSS works closely with its partners to achieve good health NSS for everyone. The Organization Sponsors /Financial Support Treatment of These Underprivileged Children Who Affect Cancer/Heart Surgery

Livelihoods

NSS believes in helping individuals live a life of dignity. To achieve this, our livelihood programmes focuses on generating sustainable livelihoods. This is done through capacity building, fostering community links and promoting small businesses. NSS India puts special focus on entrepreneurial ventures, which are owned by women. NSS through its livelihood programmes promotes like Beautician ,cutting tailoring, Retails & Bag making . It also fosters linkages between community collectives and financial institutions. NSS also focuses on improving the literacy, numeracy and critical thinking skills to promote sustainable livelihoods.
